

# MICHIGAN ASSOCIATION OF COLLEGIATE REGISTRARS AND ADMISSIONS OFFICERS

Dear Colleague:

The MACRAO Articulation Committee is pleased to invite you to submit nominations for the 2010 Outstanding Transfer Program Recognition Award!

This is the fourth year the Articulation Committee will be presenting an award for successful transfer programs which address the needs of transfer students. Additionally, the winning program will serve as an excellent model that other institutions can emulate.

The program will be selected based on the following criteria:

1. Program should have been implemented by a 2-year or a 4-year, public or private, institution or within the context of partnership between a 2-year and a 4-year institution.
2. Proven record of success should be evident. The college/university should have specific measures in place (which can be documented) to promote the seamless transfer from one institution to another.
3. Creativity and originality are encouraged.

We ask those who may be affiliated with these dynamic programs and believe they deserve special recognition to apply today. All nominators must complete the enclosed Outstanding Transfer Program recognition award nomination form and submit a 1-2 page description of the program. Please include any supporting documentation (e.g. brochures, pamphlets, articles, etc.).

Nominations must be received BEFORE **September 3, 2010** to:
