In addition, MACRAO will be "giving back" in two very special ways this year.

1) Last year's food drive was so successful, with over 1,100 food items being collected and donated to Gleaners Community Food Bank, we decided to do it again. Please bring along as many non-perishable food items with you to the conference and drop them off at the Conference Registration/Hospitality Station upon conference check-in. The Seventh-Day Adventist Church in Boyne City will receive this year's donations.

2) One of Wednesday Night's optional activities is the Library - Reading Room. Conference attendees are welcome to stop by the Library - Reading Room to browse and pick out some new reading material. To stock the Library's bookshelves, conference attendees are being asked to collect their like new, slightly worn books and bring them to the conference to "recycle" and donate to the Library - Reading Room. Books not selected will be donated to the Boyne District Library to help add to their collection, and to further programs in the community which promote reading and literacy. Please drop off books at the Conference Registration/Hospitality Station upon conference check-in.

Together we can make great things happen!
