Nominations for the 2008 Outstanding Support Staff Award

The MACRAO Professional Development Committee is seeking nominations for the 2008 Outstanding Support Staff Award. This award will be presented at the annual Support Staff Workshop that will be held on Friday, June 13, 2008 at Oakland Community College -- Orchard Ridge Campus.

Our offices are doing more and more with less these days; how does your staff continue to make you shine? Please take a few moments and think about the successes and achievements of your staff during the last year, then nominate them for this special recognition.

The deadline for nominations is May 2, 2008. For your convenience we have attached the nomination form to this message, or if you prefer the form can be found at the [MACRAO web site](#).

It's not too early to begin thinking about who you will be sending to this workshop on June 13th.
