For the Nominations Committee, the three at-large positions should include one each from a 4-year public university, a 4-year private college/university, and a 2-year college. These are both challenging and exciting times for our organization and your participation has never been needed more. Please submit a nomination by sending the name, and the position being sought, to Karen Hutslar at hutsl1ke@cmich.edu. Please know that submitting your own name is welcomed and encouraged. Members of the current 2011 Nomination Committee are: Crystal Napier (representing a 2-year college), Noreen Ferguson (representing a 4-year private university), William Daniels (representing a 4-year public university) and three past-presidents, who are Paula Dykstra, Carol Taberski and Karen Hutslar.

Certifying students as "MACRAO Satisfied"

It is the community college's responsibility to develop a process to certify that students have satisfied the MACRAO Agreement. Most community colleges print "MACRAO Agreement Satisfied" on a student transcript after an evaluation or audit by the Records or Registrar's office determines that all the requirements are met. The more automatic the evaluation is, the easier it is for everyone.

It is recommended that the words "MACRAO Satisfied" is placed in a prominent location on the transcript so that it easily will be seen and identified by the admissions, records, and advising staff at receiving four-year colleges. On the top of the first page is recommended.

For more information check out the [MACRAO Articulation Agreement Handbook](#).

Veterans support consortium improves services

The state-wide consortium website is live as of today and here's the link to bookmark it: <http://cel.cmich.edu/MEVSC/>. You can send an email message to the group by clicking under the Distribution List on the site. As agreed, we are only listing the primary contact at your institution on the website. The primary contact can forward any email correspondence as appropriate. However, we can also add anyone from any Michigan institution to the distribution list. Based on our conversations at the VA SCO training in August 2010 and emails over the last year we will encourage community colleges and private institutions to join our group. CMU will continue to host the site and make any necessary changes as we move forward. On that note, if primary institutional contact information has changed, or you would like to add someone to the distribution list, please let me know. I'll need the person's name, institution, and email address.

The Michigan Educators Veterans Support Consortium (MEVSC) serves two basic functions to help Michigan colleges improve services to student veterans. One is providing a question-and-answer forum for participating universities. The other is to share best practices among schools in providing services to veterans.

Hopefully robust use of the site will improve our collective efforts to better serve our student veterans.

Remembering Wynn... A dear friend and colleague

Wynn McDonald, passed away very suddenly and unexpectedly on the morning of March 1, 2011. Wynn has been a member of the Northwood admissions team as an Assistant Director and Transfer Coordinator for the past four years. He was also very involved with MACRAO, most recently as a member of the Articulation Committee.

Wynn was a very passionate, loyal and trusted friend and colleague and needless to say, we will miss him dearly.

Below is a copy of Wynn's obituary:

Supporting and praying for our MACRAO colleague

Please keep Joan Hartwig, MACRAO Past President (1982-83) and Historian (1987-99) in your thoughts and prayers. Joan's daughter, Karen Jeanne Hartwig passed away on Friday, March 18, 2011.

Karen was born in Lansing, MI on March 4, 1963 to Joan (Hock) and Bill Hartwig. She graduated East Lansing High School in 1981, Lansing Community College, and Michigan State University in 1995. She will be deeply missed by all who knew her.

She was a loyal Spartan and as one of her friends indicated, "She always had a big smile to share, a hug to give, a contagious laugh, and kind words to encourage and inspire. She was a straight shooter with tact and respect and a heart of gold." She was employed for many years at Lansing Community College, and more recently at Sam's Club.

The [Gift of Life Foundation](#) will benefit from the donation of Karen's tissue. In lieu of flowers, and because of Karen's love and volunteer work on behalf of neglected and abused animals, contributions in her name may be given to the [Ingham County Animal Control Shelter](#) or the [Capital Area Humane Society](#).

A copy of Karen's obituary may be viewed at: <http://www.legacy.com/obituaries/lcj/obituary.aspx?n=karen-jeanne-hartwig&pid=149548163>
